Dr. Kristen Mulcahy, PhD
Clinical Director

INTERNING AT CAPE CBI

Courtney Lawlor, MHC-LP
Former Cape CBI Intern

"I interned at Cape & Islands Cognitive Behavioral Institute for the entirety of my fieldwork for my Master's in Clinical Mental Health Counseling from William & Mary. I completed my practicum (100 hours) and internship (600 hours) at Cape CBI over the span of one year, and I had an incredible experience. Dr. Kristen Mulcahy, the clinical team, and the administrative team at Cape CBI all came alongside me as I navigated this year, shared their experience and expertise with me, and taught me what it is like to work in a group practice. I felt both empowered and supported throughout my fieldwork experience, and I was able to balance my internship, classes, work, and spending time with friends and family with the help of the team at Cape CBI."

WHY INTERN AT CAPE CBI?
